

Annual Report 2020

Emmanuel's Lutheran Church, 3175 Valley View Drive, Bath, Pennsylvania 18014 610-837-1741

***God Calls Us to Reach Out
and to Grow in Christ's Love***

Transition Pastor's Report 2020

When 2020 began no one could have in their wildest dreams, or should I say nightmares, envisioned what we would be facing in less than three months. The year began with much promise and the hope that a settled pastor to lead Emmanuel's would soon be identified. We began in January with a town hall meeting during which a large gathering enthusiastically discussed the results of the Congregational Vitality Surveys which helped us see where we were as a community and formed the basis for brainstorming future possibilities to help us get where we hoped to be in our relationships with God, with each other, and with the wider community when the new pastor came on board.

In February things took a dramatic turn for me as I suffered an attack of Bell's Palsy. Fortunately, I was able to continue to see to my pastoral responsibilities while I recovered. Unfortunately, my bout of Bell's Palsy was but a precursor for how the rest of 2020 would unfold. The emergence and rapid spread of COVID-19 brought about a major shift in our focus from looking for ways to facilitate the transition to finding ways to be and do church in the midst of a pandemic.

In March when we made the decision to briefly suspend in person worship, we all thought that it would only be for a couple of weeks and that we'd all be together again in our building by Easter, but it was not to be. Thanks to their talents and willingness to expend extra time and effort Beth McElroy, Bobby Siegfried, and Lynne Ambrose came together enabling us to offer meaningful, quality online worship opportunities without missing a beat. There was a learning curve for all of us, but together we all made it happen. They, along with our President Dianna Schoenen, and the church council, deserve everyone's thanks for their untiring efforts on behalf of the Emmanuel's family throughout 2020.

As soon as the Lehigh Valley entered into the "green phase" of Pennsylvania's reopening plan in addition to providing both full traditional and contemporary online we began holding outdoor services. We confirmed 12 young people at a special service, attended by approximately 80 people at the pavilion in August. We began celebrating Holy Communion at the outdoor service and as the weather became colder, we transitioned to indoor worship, including Holy Communion as soon as possible while also following the guidance we received from the State of Pennsylvania, the CDC, and the ELCA. We also began celebrating Holy Communion during our online services as well. During one of our indoor services, we welcomed six new members to Emmanuel's.

continued on page 2.....

....continued from page 1

In October I began meeting with the first-year catechetical class via Zoom. Our focus has been on Luther's Small Catechism and Church History. After the number of COVID cases began to spike and a tremendous strain was placed on the local health care facilities we once again temporarily suspended in person worship and meetings. Realizing that we would not be able to hold our traditional Christmas Eve services we made plans to add a brief outdoor service in addition to the online services. We had over 100 people sign up to attend two services, but due to torrential downpours we weren't able to hold the services as planned. Beth, Bobby, and I moved inside and while maintaining an appropriate distance we were able to livestream a service to approximately 60 people who remained in their vehicles. I extend my appreciation to everyone who is or was part of our reopening and our worship committees for all they have done during this stressful and uncertain year, including Michele Geiger who in addition to chairing the worship committee assumed the lead role for the reopening committee.

In July of 2019 I had no idea that I would still be here in January of 2021 and yet here I am. Therefore, I want to highlight some of my experiences in the areas of professional and personal development and enrichment.

- January: two day in person "Extravagant Generosity Stewardship Workshop" sponsored by the Northeastern and Southeastern Pennsylvania Synods.
- May: weeklong online "Festival of Homiletics" series of preaching workshops.
- October: Synod Assembly at which our new Bishop Christopher DeForest was elected and a two-day online workshop "Effective Transitional Leadership Seminar" conducted by the Interim Ministry Network.
- November: one half day online workshop "Beyond Difficult People" conducted by the Interim Ministry Network.
- Throughout the year: multiple webinars on the subjects of safely gathering, online giving, and updates from the ELCA and Northeastern Pennsylvania Synod, rostered leaders meetings of the Northern Lehigh Mission District, and meetings of the Bath Area Council of Churches.

Finally, I want to thank all of you for continued faithful support of Emmanuel's. Your generosity has allowed us to weather this long-lasting storm and to continue meeting the needs of our community. If there is one thing I hope all of us have come to realize over the course of 2020 it is that as important as the church building may be it is people, not the building, who are the church. This has not been an easy time for any of us, but if we continue to love the Lord our God with all our heart and with all our soul and with all our mind and our neighbor as ourself we will see that the best is yet to come.

Peace and blessings.
Respectfully submitted,

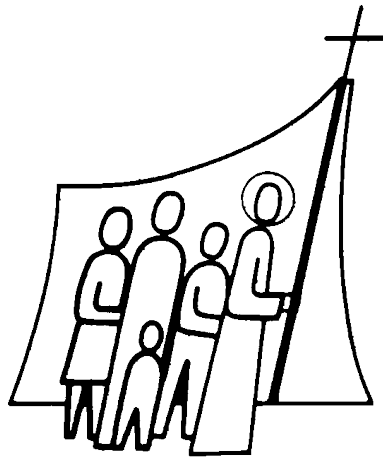

Rev. T. Daniel Clayborne

Church Attendance

Our 2020 worship schedule was a challenge as we navigated our way through a global Covid-19 pandemic. We began the year with our regular full Sunday schedule (8, 9:30, 10:45). This continued through March 8 when we suspended in-person worship due to rising concerns about Covid-19. Online worship services (livestream or pre-recorded) began on March 15 and continued throughout the rest of the year. In-person worship resumed on a limited basis with outdoor services from July through early October when we moved inside. Attendance at these services was restricted based on guidance from the CDC, ELCA and the state of Pennsylvania and continued until the end of November when rising local case numbers halted our services once again. We finished the year totally online with the exception of Christmas Eve which included a parking lot in-person service.

2020 Average Weekly Worship Attendance

In Person

Pre-Pandemic*	160/week
Limited Attendance**	25/week
Average***	79/week

Online**** 129/week

*10 weeks of "regular" Sunday worship (3 services)

**15 weeks of outdoor/indoor limited attendance services

NOTE: Attendance limits were not achieved at any of our in-person services.

***Includes 10 weeks of pre-pandemic worship and 15 weeks of outdoor/indoor limited attendance worship

****Includes 41 weeks of livestream or pre-recorded services; does not include Easter or Christmas Eve worship

Report of Church Council President, Dianna Schoenen:

We had an exciting start in January with a Congregational crockpot meal using our beautiful new kitchen. Looking back on that fellowship and meal together, with a crowded room of people, I am so grateful we had that time together! Who could have predicted that most of 2020 our sacred Sanctuary and Fellowship Hall would become empty and planning any event would take on a whole new meaning. I think we all have learned to appreciate the value of time spent with others!

Committees and groups met as usual January through mid-March, praying, crafting, planning, studying the Bible, reaching out to homebound members and the community, working hard and having fun with fellowship. We held a town hall meeting in February to hear about the hiring process of a new Pastor, which we assumed would soon lead us into a new Pastoral chapter. Youth group members attended Bear Creek winter camp, met with different leaders including Hope Lutheran's youth group. We formulated our own plans for hiring an exciting new position of Youth Ministry Leader. What happened next needs no explanation. We all have our own personal experience of disappointments and sadness that may have occurred from mid-March to now. Along the way, church leaders listened to many on how we should or should not return to "normalcy", all while following CDC and PA state guidelines, to avoid spreading COVID-19.

But what about the new and positive experiences that DID happen?! We developed online worship with the traditional and contemporary service, started the phone-in option to listen to the service, plus we transmitted Christmas Eve through the radio in our parking lot! We will continue to stream our service to reach a broader community, even after in person worship returns with this wonderful, upgraded technology at Emmanuel's.

We learned how to do virtual or outside meetings which allowed Council, Bible studies, Outreach, Worship planning, Sunday School, Men and Women's groups, Confirmation, Cemetery, Property, Evangelism committee and more to continue serving God. These options can remain to meet in person or virtually in the future so all can be included!

Confirmation, youth and adult volunteering, summer and fall worship safely happened outside. Blessing of the Backpacks and Pets, 3rd grade Bible distribution, new members joining, first Communion and more still continued. A new Girl Scout troop and Eagle Scout Court of Honor still blessed our grounds!

Although we had differing opinions on how to handle the year, we learned to communicate, honor God and our Church Family in new ways. Whether through a virtual message, delivering food, sending cards, mailing Sunday school supplies, having a new "drop off" area for community donations, worshipping and even taking Communion at home as a smaller family, Zoom coffee hour, all done with respect for each other and with continued focus on health and safety.

What made Emmanuel's congregation special to you in 2020? Hopefully you found something that gave you spiritual joy and Peace in your hearts. Was it watching the musical team during Amped up Advent on Facebook? Worshipping outdoors in the fall? Returning to the church for smaller in person worship services? Or just enjoyed singing loudly or being in your pajamas while worshipping in your own home! Ultimately, what matters most is we KEPT worshipping our Lord and Savior, remembering that Jesus walked with us every step of this crazy year. Faith kept us motivated and will be our foundation for 2021. We can build into a very exciting year!

Thank you to Pastor Dan, employees and our incredible worship team for your continuously changing work needs and adapting to different environments. Thank you Emmanuel's members for your support, openness and flexibility. Thank you volunteers for keeping our church moving! Thank you to our diverse and wonderful Council members who supported the whole church and me as President.

God's Love and the energy of our togetherness will fill our church walls soon. We have hope on making 2021 a very exciting time at Emmanuel's with new opportunities. I look forward to worshipping with you, outside and INSIDE the church walls soon!

Dianna Schoenen
President of Church Council 2020

2020 Church Council Highlights... Kristin Butz, Council Secretary:

We opened 2020 by welcoming Justin Fallenstein and Chris Wolf as members of council. A Human Resources Committee was formed with Pete Coccetti, Barb Bennett, Justin Fallenstein and Wendy Whiteash being part of this committee. These committee members met with employees of the church virtually.

This year was unusual due to the COVID precautions that were put into place. A new COVID Reopening Committee was formed and would meet monthly to make sure the church was following all state and CDC guidelines for worship.

Call Committee - This committee met many times and in different ways, however all their hard work has not yet yielded a new pastor.

Cemetery - Karl Monroe has been the lead and had many volunteers to assist with taking care of our cemetery. Eagle Scout Colin Davidson was honored for the work he has done on our cemetery.

Outreach and Fellowship - Emmanuel's continues to contribute clothes, food and funds to the Bath Area Food Bank, as well as the glove and mitten tree at Christmas time donated to school children in Bethlehem. The Womens' group donated time to the community gardens, and they helped the nurses at St. Lukes Hospital. The community outreach team also assisted a community member with taking care of his yard. Members called homebound congregational members to check in and make them aware that we are thinking of them. Masks were also made for any who needed them. This committee also collected and gave gift card to local police officers in gratitude for their service.

Stewardship - Win thanked all who use their time, and talents through this difficult time.

Property - Paul Honett continues to perform many projects around the property. The gutters and drainage issues have been worked on this year.

Worship - This committee has been meeting monthly all year. We have been having virtual services since March. We began outdoor in person worship services in July. Sunday School packets were mailed out to families. Due to COVID precautions, there was no VBS this year. Christmas Eve services took place in the parking lot and through an FM radio transmitter.

The year ended with Dianna Schoenen completing her term on council and as outgoing president, we wish her well and thank her for her service. Two other council members have completed their first 3 year term and have agreed to stay on for another 3 year term: Jane Fried and Paul Honett. Also thanks to David Getz, Marilyn Angst and Vernell Meyers for their years of service on the Council.

We continue to be blessed to have so many dedicated, caring and giving members.

2020
THE YEAR IN REVIEW

Emmanuel's 2020 Reports

Acolyte Report ... Thank you to the young members of Emmanuel's who are part of this ministry and serve faithfully each week as acolytes at our worship services:

8:00 Service: Volunteers are needed - Adults are welcome too!

10:45 Service: Brody Rosenberger, Brooke Rosenberger, Rachel Butz, and Taylor Whiteash

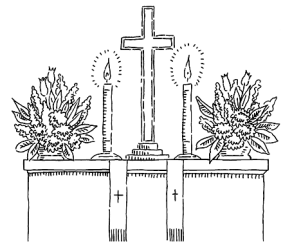

If you are interested in serving as an acolyte, please call the church office at 610-837-1741. You do not have to be young in age to be an acolyte - just young in heart. Adults are welcome to sign up! Training will be provided.

Altar Care Report ... submitted by Denise Druckenmiller: Thank you to the following people for their help in preparing the table for God's special meal. Their help is greatly appreciated.

Barbara & Bob Bennett, Cindy O'Brien, Karl & Sue Monroe, Bob Splittgerber

A special thanks to our linen washers: Gloria Wallery and Denise Druckenmiller

If you would like to help with Altar Care please contact Denise Druckenmiller or the church office.

Blood Drives ... submitted by Coordinator, Sandy Frey:

To all our Blood Donors: Due to the Covid-19 Pandemic there were no blood drives scheduled for 2020. Members were encouraged to donate directly at Miller-Keystone Blood Center.

Just a note: When donating, please make sure to say Emmanuel's Lutheran Church - Bath and our church code is: 0656. Once again, thank you!

Cemetery Report ... submitted by Karl Monroe:

Small but dedicated volunteer crews came out for the spring and fall cleanups. Several members of the congregation turned out for a September Cemetery Work Day to help fill depressions and take care of untended plant growth.

Volunteers also took care of cutting back the super-abundant growth along the NE property line of the Union Cemetery. Another crew took on the perpetually rusting railings along the upstairs Sanctuary ramp access. Thank you all!

Special note of thanks goes to Bob Siegfried, who was able to take the time and, with his special skill set, have the property tax on our back parcel reduced to zero dollars. This parcel had been intended as expansion area for our current Mountain View Cemetery.

During the year, there were 11 burials and no plots were sold. The Cemetery Committee did not meet, but plan on starting up again when our lives edge back to normal.

Christian Education....submitted by Heather Bennett-Knerr:

Sunday School continues to develop using the Spark rotation curriculum. The program was off to a fabulous start from September 2019 until March 2020 when we stopped meeting due to the Covid-19 pandemic. We were learning so much about the Old Testament and our connection to God. This would not be possible without our students learning from different members of our congregation. They are able to build a relationship with others. A big thank you to all of the teachers!

Our program took another turn in November 2020. We started a virtual program that included mailings to the home. Thank you to Paulette Obrecht for developing a plan for our students to learn at home. The mailings include the lesson materials and art projects. Thank you for those that helped prepare the packets and monetary donations to support this new way of learning.

Vacation Bible School (VBS) was cancelled due to the pandemic. We hope to gather in the future with our theme Rocky Railway.

In the fall four of our Third Graders met on Zoom with Pastor Dan for *An Introduction to the Bible* and received their own copy of the Bible from Emmanuel's at our outdoor service on September 27. One of our youth attended classes for instruction about communion and received her First Communion on October 4.

The 2nd year Catechetical Class completed their studies with Pastor Dan in spring of 2020. Twelve of our young adults celebrated their Confirmation on Sunday, August 23 in a special outdoor service. The 1st year Catechetical Class began their studies in September via bi-weekly Zoom meetings with Pastor Dan.

The Ladies Bible Study and Men's groups have continued to meet weekly via Zoom. Pastor Dan offered a daily Devotional on Facebook during the Advent season.

COVID Reopening Committee....submitted by Michele Geiger

Members: Pastor Dan Clayborne, Michele Geiger, Beth McElroy, Phyllis Palamaro, Andrea Roberts, Bobby Siegfried, Dianna Schoenen, Gloria Wallery

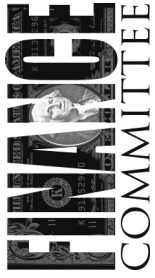

The committee began meeting regularly in June 2020 with the goal of determining how to safely resume worship and activities at Emmanuel's. One of the objectives of our committee was to become familiar with guidelines as recommended by the State of Pennsylvania, the CDC and the ELCA in regards to

COVID-19 and a safe reopening process. In addition, we familiarized ourselves with what neighboring Lutheran churches were doing in regards to reopening.

In June, the decision was made to begin outdoor spoken worship services in July, which continued into October. These services were limited in attendance to allow for appropriate physical distancing. As the weeks grew colder, and the COVID cases lessened, the decision was made to move indoors. Due to guidelines recommending continued physical distancing, reservations were required as our attendance was limited. We alternated worshipping in the sanctuary and the fellowship hall. Throughout this time, our worship team consisting of Pastor Dan, Beth and Bobby, also prepared weekly online worship services that allowed us to worship remotely. We also registered for a special phone number to allow those without internet capability to call in and listen to either our weekly traditional or contemporary services. During these months, we permitted meetings to be held in the building as long as masks were worn and physical distancing was practiced.

As we moved in to November, we saw COVID cases spike, our hospitals were at near maximum capacity and we saw quite a few members of our Emmanuel's family contract COVID-19. In order to help mitigate the spread of the virus and do our part in helping to decrease the pressure on our healthcare system, we opted to temporarily suspend in-person worship, along with any church activities at least throughout the end of 2020.

We realize the decisions made by the committee were not always popular ones, but as mentioned, our discussions were serious, always done in a prayerful manner and any decisions made were based on the best information available at the time and always took the risks of our most vulnerable members into consideration. A survey given to our members in November provided us with some good suggestions and will be taken into consideration as we move forward.

Finance Committee Report ... submitted by Bob Siegfried, Treasurer

It has been a busy year for the Finance committee...

- In April, we applied for, and received, a federal government loan under the Paycheck Protection Program in the amount of \$34,570 which we used to continue paying all employees during the closure of the church due to the covid virus. Special thanks to Larry Kemmerer for tipping us off that as a church, we were eligible to apply. Thanks also to John Hemak who handled the application process for us through New Tripoli Bank. We subsequently filed the required documentation to request loan forgiveness, and it was approved. Thanks both to the proceeds of the loan forgiveness, and the continued generous giving on the part of our entire congregation, we continued to operate in the black all year, with sufficient income to cover all expenses.
- In June, we used the proceeds of a CD, originally purchased with the gift received from the Harry E. Grammes, Jr. estate, to pay down our mortgage by \$92,500 which will save us \$4,600 annually in mortgage interest.
- In July, we refinanced our mortgage with the Mission Investment Fund which reduced our interest rate by one half percent from 4.875 to 4.375, resulting in annual interest savings of \$2,000. Thanks again to John Hemak for handling this refinancing effort with the Mission Investment Fund. At the end of 2020, our outstanding mortgage balance was \$287,022 down from \$412,732 at the beginning of this year. Thanks again to everyone who continues to support the building fund and helping our congregation pay off this loan.
- In July, I prepared and submitted a Northampton County Application For The Exemption Of Real Estate Taxes on the 2.45 acre parcel directly behind our current cemetery along Valley View Drive. I did the same in 2006 and was successful in gaining exemption from real estate taxes, only to have it overturned a few years ago. I attended a hearing at the Courthouse in August, and we were once again granted exemption from real estate taxes on this property, which will save us \$1,300 annually.
- In August, we switched all our church insurance to a new company, Brotherhood Mutual, which allowed us to reduce our 2021 budget for insurance by \$1,200. Special thanks to Mellissa Dempsey for spending a great deal of her time conducting a comprehensive review of our current coverages and for securing significant coverage improvements in our new policy.
- In December, we worked with the Property committee to research air purification systems for the major gathering areas of the church. Special thanks to Karl Monroe for his help with this effort. We met with and received quotes from two vendors and made a recommendation to council at its January meeting where we received approval to move forward with installation. The devices are designed to kill bacteria, mold, and viruses both in the air and on surfaces.

Members of the Finance committee include Bob Siegfried, Treasurer, Bob Bennett, Financial Secretary, John Hemak, and council members Justin Fallenstein and Pete Coccetti.

Ladies Zoom Bible Study....submitted by Gloria Wallery

Back in April 2020, I was feeling the need to visit with people. I missed our get together on Mondays at 10:30 with the Ladies. We had a group of 20 ladies coming regularly to the study then. I was hearing about Zoom and people who did Bible Studies on it which was all new to me. I made an appeal about it on Facebook, complementing "30 somethings that were brave with Zoom". Another church member reached out to me and we started to Zoom each other. (Thank you Yvonne!) So then I made an appeal to members to join me on Thursdays at

10:30. We would study the book of Matthew. So Ladies Zoom Bible Study began. We started around Easter and studied the book of Matthew until September. We had anywhere from 5-9 members meeting regularly. Then life got busy for some members and we started another Zoom opened to friends of the original members. I got to meet people from Virginia, Kempton, and Nazareth besides the 5 members from Emmanuels.

We started on Romans in the Fall but we also do other topics and read other books besides the Bible. We read Daniel, 1 Peter, Blessings, Christmas and The Full Armor of God. We are not a closed group. It's open to others at Emmanuels. We Zoom on Thursdays at 10:30. The class runs about 80 minutes. If you are interested to know more, send your email address to gjwallery@gmail.com.

We knew we couldn't visit the homebound members personally, so our group reached out to them each month in 2020 with a card or a letter. God's love was sent to them to keep safe and strong during this time of loneliness and isolation. Our hope is that 2021 will be a better year for all with God's help.

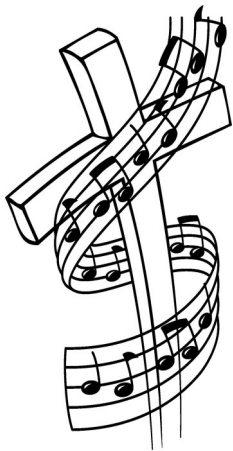

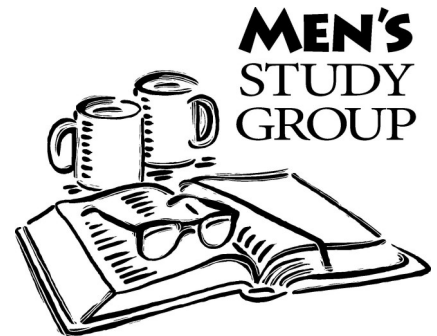

Meals From the Heart....submitted by Michele Geiger:

Emmanuel's Meals From the Heart was able to come alongside a couple of members this year and provide them with meals. Thank you to those volunteers who supplied dinners. If you are in need of meals please don't hesitate to contact the church office or Michele Geiger. If you'd like to join this vital ministry as a volunteer, please let Michele know at 610-442-7680.

Men's Group...submitted by Robert Splittgerber

The "Men's" Bible Study (ladies ARE welcome, but see report on Women's Bible Study) had to take a hiatus due to Covid-19 precluding our meeting at the church. But then we were able to go face to face on Zoom thanks to the very much appreciated Michele Geiger setting us up on the church's account AND being the start up host every Monday evening at 7 PM. And so after a full year of not seeing each other, everyone was a pleasant sight . . . REAL-LY.

We resumed our thorough study of the entire Bible with the Apostle Paul's epistles, and have gone through I & II Thessalonians, Galatians, and I & II Corinthians. Presently, we are beginning the study of Paul's magnum opus, his epistle to the Church in Rome. Currently, there are 7 regulars in the Study. It is worthy of note that this study has functioned as a deepening fellowship in Christ with each other, men who have continued to meet since we began with the Book of Genesis two years ago(?). You are welcome to join in at any time. Just contact Michele Geiger, and she will send you an invitation.

A Note from Music Ministry.....submitted by Beth McElroy, Director of Music and Bobby Siegfried, Alternative Worship Music Coordinator:

2020 forced us to "go back to the basics" in terms of our priorities as worship leaders. With the onset of a global pandemic, we were faced with the very real challenge of how to capture Emmanuel's unique worship experiences in a virtual application, while simultaneously working to create and maintain a genuine sense of community on a Sunday morning and beyond. From the herculean efforts of our staff and volunteers who stepped up to provide something as simple as contributed prayers, advent music selections, Celebration worship team recordings, and even our handbell ensemble at Christmas, we were able to shift to providing Emmanuel's worship online.

Beth and Bobby would like to especially thank Pastor Dan, Michele Geiger, and Lynne Ambrose for all their incredible work and support.

While we were not able to enjoy many of the special things we all love this past year - like our Lenten and Christmas Cantatas - our online worship and music/devotional offerings still enabled us to reach out and engage with new members, past members who now live out-of-state entirely, and current members who are not always able to be with us on a Sunday morning.

For a church to be able to reach new people and grow a community beyond itself during a global pandemic, we are thankful and humbled.

Outreach and Social Ministry Report...submitted by Andrea Roberts and Lynne Ambrose

In 2020 Emmanuel's Outreach and Social Ministries helped others beyond our expectations.

Emmanuel's Church has always had a giving heart extending ourselves beyond the walls of our church. That was again true this year in spite of the building being closed, Pennsylvania quarantining and social distancing guidelines. We put into action the words of the children's song, ***"the church is not a building, the church is not a steeple, the church is not a resting place, the church is the people."*** The people were still hard at work being the body of Christ during the Covid-19 pandemic. Emmanuel's members reached out to do their part in 2020 to fulfill Christ's mission.

Our congregation gave generously to various local and global causes and agencies; \$10,632 was used to help others this year:

- \$3582 was given to ELCA Good Gifts through our virtual Christmas Wish List to purchase cows, piglets, chicks, roosters, honey bees, fish and goats as well as water filters, blankets, Bibles, gardening tools and seeds, soap and sanitation supplies, and personal protective equipment.
- \$1770 was given to our social ministry fund, money used to help families and individuals in need.
- \$2359 was donated to support the Bath Area Food Bank along with many non-perishable food and other household or personal care items. The food bank serves about 120 families per month in the Bath area. A number of our members continue to donate their time by helping at the food bank.
- \$2207 was collected to support World Hunger appeals across the globe.
- \$714 and many non-perishable food items were collected for the food bank during the Souper Bowl of Caring held on February 2, 2020.

Beyond monetary donations, Emmanuel's members also strive to support each other and our community in a variety of ways:

- Our Birthday Card Ministry continues to brighten our members' "special day"... thank you to Linda Hoch for keeping this ministry going.
- Our mitten trees were once again overflowing with warm hats, gloves, mittens and scarves for children in need in the Bethlehem area school district.
- Over the summer we once again collected school supplies and personal care items for students at Behavioral Health Associates.

We also started some new projects this year despite restrictions due to the pandemic:

- God's Work Our Hands Women's Group began meeting with outreach as the main goal and the God's Work Our Hands Facebook page was created. Many of us also joined Light the Night Facebook page to pray and show support.
- Our youth and chaperones helped with the Kellyn Foundation Community Garden Project in Easton.
- We helped nurses at St. Luke's by donating clip pouches.
- We collected items for teens in Foster Care through ACCESS services.
- We donated items to the Hackerman-Patz House at Lehigh Valley Hospital.
- A crew from Emmanuel's helped a member of the community with the upkeep of his yard.
- We allowed a local youth football team to utilize our field for practice.
- Many of us have been calling other members to extend support. Many have been sending cards, letters and items to homebound members.
- Members have made masks and either donated them or sold them to benefit the church or other charities.
- Members helped to decorate the pavilion by painting butterflies, bird houses, crosses and rocks. The wooden painted crafts were shared with homebound members and given to Pastor Dan for Pastor Appreciation. Slate signs and rocks were painted with positive messages for the staff and anyone visiting Emmanuel's grounds during the quarantine.
- At Thanksgiving we helped local seniors by gathering small gifts for Meals on Wheels recipients in the area.
- Some of our members helped Covenant Methodist Church to fill boxes for Operation Christmas Child.
- Our group collected items and filled Christmas stockings for our homebound members. The stockings and poinsettias (which have become an Emmanuel's tradition) were delivered to help brighten the Christmas season for those unable to be with us.

.....continued on page 13

Outreach and Social Ministry Report.....continued from page 12

It also should be noted that many members of Emmanuel's are active volunteers in the community including PTA, sports coaches/volunteers, Meals on Wheels, fire company, American Legion etc. They gave excess garden produce to the food bank and donated masks and bulbs to the Boys and Girls Club community garden. They helped pick up and distribute food donated by Shoprite to the community of Easton for the Boys and Girls Club of Easton.

Emmanuel's participated in God's Work Our Hands Sunday on September 13, 2020. This year we reached out to the Boys and Girls Club of Easton and gathered \$100 worth of cleaning supplies and monetary donations totaling \$325. We also helped with their community garden. In addition, we extended ourselves by supporting the Moore Township Police Department by treating them to lunch via the donation of gift cards.

In addition to all these gifts, we continue support of the ELCA and our Synod. Emmanuel's gave a generous tithe of \$37,000 in benevolence - which supports hundreds of ministries throughout our Synod, nation and the world.

When we total it all up, the amazing truth is this: Following Jesus' call, we are giving ourselves away by reaching out locally, regionally, nationally and to the ends of the earth. It feels good to be a part of a congregation that is making a difference as we grow together in Christ's love.

Submitted by Paul Honett.

A big THANK-YOU to everyone, young and old, who helps to keep our "church home" (and God's House) in good order for all our members and guests. With the pandemic the building has been empty a lot of the time but the need for maintenance and repairs is never ending.

Our handyman, Bart Palamaro, continues to be a welcome addition to maintaining the church buildings - if it's broken, Bart will fix it! He also replaces batteries and light bulbs and ceiling tiles, runs wires, removes wasp nests and collects monthly water samples. He makes sure our building and grounds are safe and that our utility systems are up-to-date. Thank-you to all who helped with special projects over the past year. Also thanks to Karl Monroe and all who were involved in the Spring and Fall Clean Up Days; much weeding, trimming, raking and general clean-up were accomplished. A special "thank you" to Al Miller who has been trimming and maintaining the plantings around our building.

Some projects that were completed during 2020 include:

- Missing railing installed to the top of the steps to the balcony
- WiFi cable run to Fellowship Hall
- Refreshed paint on the handicapped parking spaces and the step caution strip
- Replaced stained ceiling tiles
- Water cleanup after flooding in Fellowship Hall
- Replaced bad faucets in the Men's room
- Roof gutter and downspouts were cleaned, repaired and repositioned
- Installed the shutters to close up the bell tower for the winter
- Dug a trench for rainwater overflow
- Sanded, primed and painted the railing along the handicapped ramp

We are always looking for volunteers. If you are a plumber, electrician, carpenter, painter, etc... or want to help out please let us know. Volunteering helps us keep costs down and also helps to serve our church and community.

Worship Committee

Submitted by Michele Geiger, Chairperson:

Committee members: Marilyn Angst, Barbara Bennett, Pastor Dan Clayborne, Michele Geiger, Paulette Obrecht, Beth McElroy, Bobby Siegfried, June Walker

If anyone had told me last year at this time that it would be nearly a year until we'd all be together again for worship, I'd tell them they were nuts. Due to the pandemic, it will soon be one year since we've had normal worship services. We barely began the Lenten season when the world shut down and church was canceled. We have been very fortunate throughout this past year that we are blessed with a pastor and worship leaders who are able to lead us remotely in worship. From Palm Sunday to Holy Week services to Easter, to Thanksgiving to Advent to Christmas Eve and every service in between, we've been able to come together remotely as a church family and worship our Lord. We are terribly indebted to Pastor Dan, Beth and Bobby for the amount of time and effort they put into our weekly virtual services.

Beth provided "hymn sings" on Easter Sunday and Christmas Day by streaming some of our favorite hymns live on Facebook.

A special treat, organized by Beth and Bobby, was a daily musical selection by Emmanuel's members during the Advent season. A special thank you to Pastor Dan for his daily Advent devotion. Despite the pouring rain on Christmas Eve, we managed to have a short service with families joining together in their cars in the parking lot.

As summer approached, we began meeting for worship at the pavilion in limited numbers while maintaining physical distancing. At the beginning of October, we moved indoors to worship, alternating between the fellowship hall and the sanctuary while following guidelines as recommended by the state, ELCA and CDC.

By mid-November, as COVID cases spiked and hospitals were at near capacity, the decision was made to go totally virtual and remained that way through the remainder of 2020.

Despite the restrictions throughout the year, we were still able to bless backpacks, celebrate the Affirmation of Baptism for our 12 confirmands, present Bibles to third graders and take in new members. We collected mittens and scarves for the Bethlehem Area School District and purchased over \$3500 in gifts for ELCA's Good Gifts program. Despite small attendance, we offered a virtual coffee hour every Sunday via Zoom.

As usual, we thank our volunteers. This year looked different than usual; they checked temperatures and asked COVID screening questions, in addition to seating our members in their assigned seats. In addition, we appreciate those who have volunteered to virtually read lessons and offer prayer petitions weekly. We also give thanks for the members of our worship team who participate regularly in our contemporary services. Thank you to Pastor Dan for his guidance as we navigated through this difficult year. Thank you, as well, to Lynne Ambrose who held us together this past year, as she was often one of the only staff in the building and wore many different hats.

We pray that we are soon able to resume in person services and get back to the point that we are able to join together as a church family for our weekly worship services. Let's hope for a more normal 2021!

2020 Church Records

Ethan Michael Kosciolek

January 19, 2020

The Rev. T. Daniel Clayborne

Bibles Received: The following third graders received their Bibles on Sunday, September 27, 2020:

Alexis Christie

Stella Fallenstein

Kiersten Diehl

Walter Haas, III

First Communion: Emalyn Radcliffe received her First Communion on Sunday, October 4, 2020:

Affirmation of Baptism: Confirmation marks the completion of the congregation's program for the instruction in the Christian faith. These candidates have made public profession of their faith through the Affirmation of Baptism on Sunday, August 23, 2020 at a special outdoor service. They will now assume greater responsibility in the life of our Christian community.

Welcome our new adult members:

Gianna Elyse Coccetti
Andrea Paige Davidson
Evan Matthew Dempsey
Rilee Marie Ehrlacher
Jackson Douglas Fehnel
Steven Samuel Green

Emily Elizabeth Hower
Sarah Victoria Krieger
Gregory Michael Reese
Brandon Allen Rosenberger
Alexander Richard Schoenen
Nathaniel Robert Wolfe

Marriages: Pastor T. Daniel Clayborne officiated at the following wedding in 2020:

September 8, 2020

Kelly Ann Hildebrant and Christopher Stephen Heffner

Funerals:

There is a time
for everything,
and a season
for every activity
under heaven
