June 20, 2021

4 Pentecost

## *Announcements and Prayer Concerns*

This is the day that the Lord has made.

**Let us rejoice and be glad in it !**

## *Here Is Our King*

**Here is our King here is our Love, here is our God who's come to bring us back to him - he is the One he is Jesus. And he is our King he is our Love he is our God who's come to bring us back to him - he is the One he is Jesus**

**From wherever spring arrives to heal the ground -  
from wherever searching comes the look itself  
a trace of what we're looking for - so be quiet now and wait**

**And what was said to the rose to make it unfold  
was said to me here in my chest - so be quiet now and rest  
so be quiet now and rest**

**The ocean is growing - the tide is coming in- here it is**

## *Bridge Majesty finally- majesty finally here*

## *Words of Worship*

Let us join in praise as we gather in name of the Lord!

**Our faith sometimes seems so small and our hearts seem so weak.**

Even so, take courage. The Lord can use even our small seeds of faith.

**What can God do with the tiny grains of personal faith we bring?**

Entrusted to God, tiny seeds of faith grow and multiply to the glory of God.

**Blessed be the name of the Lord!**

## *Prayer of the Day*

**O God, in your infinite wisdom you have called us to live by faith and given us the promise that if come with even the tiniest seed of faith you will bless and multiply it. We give you thanks for blessings of any size. In Jesus' name we pray. Amen.**

*Scripture Reading: Luke 8: 4-15*

*Sermon: Rev. Bishop Elizabeth Eaton (presiding ELCA Bishop)*

### *Water to Wine*

**Embarrassed when I see the guests are thirsty - every single jar of wine is dry  
Then you revealed your glory - how could you make the water flow as wine?**

**When I think the storm has overwhelmed us - our vessel nearly swallowed by the waves  
And a word from you and there is silence - who is he that the wind and waves obey? x2**

*Chorus* **If you could turn water to wine I must believe you can change my mind  
If you could bring calm to the sea then I believe that you can change me  
I believe that you can change me**

**From my hand raised I cry out Lord trapped inside this body all alone  
Look at me with compassion sayin' rise up from your mat and go home**

**Panic when I see the crowd approaching - five thousand hungry mouths for us to feed Jesus prayed  
and there was plenty - who is he that could give us more than we need? x2**

### *Affirmation of Faith*

**I believe in a living God, creator of all humankind, who has created and recreates the entire universe by power and love. I believe in Jesus Christ, God in the flesh and my Savior and Lord. Because of his life, work, suffering and death, I know who I am, and what I can become through Christ. I believe God is present with me always and can be experienced in prayer, the Sacraments, the Word, and the community of believers. Amen.**

### *Prayers of God's People*

#### *Confession*

God of love and power, **so often we have failed to put our faith in you. Instead, we have chased after the things of this world, other people around us, and even powers we do not understand before we have turned to you. Forgive us and lead us along the paths you would have us travel.**

#### *Forgiveness*

God is with us, giving us all the faith we need for the tasks we are called to do. Forgiven in Christ, let us move forward by faith to love and serve all people in Christ's name. **Thanks be to God!**

#### *Sharing of the Peace*

The peace of the Lord be with you always. **And also with you.**

Please greet one another in the name of the Lord, shaking hands or embracing and saying "The Peace of the Lord be with you"

#### *The Lord's Prayer (contemporary form)*

Let us pray in the words that Jesus has taught us:

**Our Father in heaven, hallowed be your name, your kingdom come,  
your will be done, on earth as in heaven. Give us today our daily bread.  
Forgive us our sins as we forgive those who sin against us.  
Save us from the time of trial and deliver us from evil.  
For the kingdom, the power and the glory are yours now and forever. Amen.**

#### *Blessing*

The Lord bless you and keep you. The Lord's face shine on you with grace and mercy.  
The Lord look upon you with favor ✕ and give you peace. **Amen**

*My Lighthouse*

In my wrestling and in my doubts - In my failures you won't walk out  
Your great love will lead me through - you are the peace in my troubled sea whoa oh  
You are the peace in my troubled sea

In the silence you won't let go - In the questions your truth will hold  
Your great love will lead me through - you are the peace in my troubled sea whoa oh  
You are the peace in my troubled sea

*Chorus* My Lighthouse my Lighthouse - Shining in the darkness I will follow you oh  
My Lighthouse my Lighthouse - I will trust the promise you will carry me safe to shore  
Safe to shore safe to shore safe to shore

I won't fear what tomorrow brings - with each morning I'll rise and sing  
My God's love will lead me through - you are the peace in my troubled sea whoa oh  
You are the peace in my troubled sea

*Bridge* Fire before us - you're the brightest - you will lead us through the storms (hey) *repeat 3x*
