

Emmanuel's Informer

July/August 2025 Volume 57, Number 7-8

Our congregation is overflowing with gratitude and joy as we celebrate a truly amazing Vacation Bible School! With this year's theme, "**Trust in Jesus,**" echoing through every craft, song, game, and Bible story, we welcomed **over 40% more children** than last year—filling our church with energy, laughter, and faith. The entire lower level was decked out to look like we were camping under the Alaskan sky.

This incredible week would not have been possible without the dedication and heart of the **dozens of volunteers** who gave their time, talents, and love to make each moment special. From decorating and leading groups to snacks and songs, **thank you** for being the hands and feet and caring arms of Jesus for our youngest ones. What a blessing it is to grow together in trust and joy!

Stay cool in these summer days ++

Grant-Funded Tech Project Sparks New Ministry Opportunities at Ziegels

Written by: Winona Schappell of Ziegels Union Church, Breinigsville

In the fall of 2024, Ziegels Union Church, comprised of two sister congregations, the Ziegel United Church of Christ and Ziegels Lutheran Congregation, embarked on a joint effort to upgrade the shared 1908 church building's Fellowship Room with upgraded technology to enhance and increase informal worship and educational mission opportunities. With the potential of applying grants to support the goal of ministries using technology, Mary Redline (UCC) and Winona Schappell (Lutheran) used local community and current congregation demographics to place one initiative with the application

of four grants: three from UCC Penn Conference grants, Energizing Ministries, Neighbors in Need, and Operational Love of Church, and one from the NEPA Synod Witness and Service grant. With creative planning, the grants were written to cover the funding of a \$13,000 technology initiative. By January 2025, we received notice from Penn Conference and NEPA Synod confirming that all four grant applications were accepted and approved. Excited about the opportunities that these grant approvals offered,

there were still more obstacles to address. The grants did not cover the full quote for a PC projection system from Lehigh Valley Sight and Sound, so fundraisers and memorial/donation drives were needed. However, Lehigh Valley Sight and Sound started work on the project, trusting that we would be successful in raising the balance.

The Lord's blessings came in many shapes and forms.

Communications started with the Union Treasurer on establishing an accounting system to monitor grant expenditures. Union committees (Christian Education, Worship and Music, History, Fellowship) were contacted to

begin considering how to incorporate the use of the technology for our 275th Anniversary Celebrations in 2025. The Technology Committee helped to wire Internet connections, and the Property Committee found an electrician to complete the required electrical work. And with the Lord's blessings, individual members contributed donations and memorial funds of over \$6,300. With the support of the congregational members and committee volunteers, this whirlwind project was completed in three months.

On March 19th, Lehigh Valley Sight and Sound completed all the installations for a PC-controlled multimedia projection system. That same evening, Pastor Andy Meckstruth, Lutheran Pastor, used the projection system for the second Wednesday Lenten service held in the Fellowship Room. Both Pastor Andy and Pastor Larry Pickens, UCC Pastor, continued to use the projection system for the remaining Wednesday Lenten services.

Since March, several 275th Anniversary events have been held. Christian Education used the technology for a Martha Washington Tea Party and Youth Sunday worship service. The History Committee sponsored two presentations: *The Pennsylvania German: Past, Present & Future* by Dr. W. Donner and *The Muhlenberg Family and the Lutheran Church in Early Pennsylvania* by Christopher Malone, Curator of Historic Trappe. Weekly PowerPoint slideshows of church announcements were presented during the Fellowship Hour that is held between the Lutheran and UCC Sunday services. Families have used the system to share family photos during viewings and funeral luncheons. The system is providing an avenue of endless ministry opportunities for church committees and leadership. It is an exciting future of ministry at Ziegels Union Church, thanks to the seed funding from the Synod and Penn Conference grants.
